

CAREER OPPORTUNITIES WITH APARNA

www.aparnaconstructions.com

Aparna Constructions and Estates Private Limited (ACEPL) is an OHSAS 18001:2007, ISO 9001:2015 and ISO 14001:2015 certified company. In 24 years of its successful operations, the company has established itself as the epitome of construction excellence in Hyderabad. With each completed project, Aparna's brand value leapfrogged along with its unprecedented reputation in the market for trust, quality & transparency.

Headquartered in Hyderabad, Aparna is primarily focused on residential and commercial projects. The Company's residential projects include large Integrated Townships, Villas, Row Houses, Luxury / Super Luxury / Ultra Luxury Apartments & Plotted Development along with state-of-the-art amenities. In all its residential projects, the company lays a strong emphasis on environmental management, water harvesting and high safety standards. Along the way, we have also expanded our customer base to over 16,000+ happy families. Recently, ACEPL also expanded its footprint beyond Hyderabad with luxury projects in Bengaluru and the new State Capital - Amaravati.

The Aparna Group has their own production of Tiles, UPVC Windows and RMC Ready Mix Concrete along with Aparna Property Management Services (APMS).

With each completed project, Aparna's brand value leapfrogged along with its unprecedented reputation in the market for trust, quality and transparency.

At ACEPL, our endeavour is to create a legacy of excellence. From ultra-luxury projects to environment-friendly procedures, we have continuously pushed the boundaries of innovation. Our initiatives have been globally recognized and have won us prestigious awards and accolades over the years:

As we lead into the future, we remain firmly committed to creating vibrant communities where residents can live, work and play without compromise.
